# EPO PROVIDER LIST

**FOUNDATION MEMBERSHIP  
GUIDE**

This booklet contains the names of physician members of the Foundation For Medical Care of Tulare and Kings Counties. Members are listed by city and specialty.

As a Foundation subscriber or dependent, you may select the services of any physician you wish. If you select a physician member of the Foundation, payment will be made directly to him in accordance with your health services agreement. In most instances, Foundation payment to member physician is considered payment in full, subject to co-payments and deductibles, for covered benefits. Additions and changes to this membership list are made continuously. Revised lists will be published periodically, however, you should check with your doctor to see if he is a member of the Foundation, or, if you have any questions, you may call the Foundation and we will assist you. In any event, it is good practice to discuss costs with your doctor before treatment, regardless of whether or not he is a Foundation member physician. Your insurance does not require you to choose a doctor on this list or change to a doctor on the list.

**HOW TO FILE A CLAIM**

To obtain benefits under your Foundation For Medical Care sponsored health plan:

1. Present your identification card to your physician or hospital. Ask them to bill us directly or you may send us an itemized bill.
2. The only information that we need to process your claim for payment is:
  - Patient Name
  - Group Number
  - Subscriber ID Number
  - Birth date of Patient
  - Itemized Bill
  - A Diagnosis
3. The Foundation may require additional information regarding other medical insurance, date of injury, etc. Please answer and return all such inquiries as soon as possible.
4. If you have other health insurance, the Foundation will coordinate its payment with the other coverage. This may delay payment.

**LOCAL CLAIMS PROCESSING  
AND CUSTOMER SERVICE**

Your claim will be processed locally, assuring you of fast service. Should you have any questions, the Foundation is as close as your telephone. Please do not hesitate to call us at (559) 734-1321. If you wish, you may come by our office for personal assistance.

**This list is current to**  
**09/13/2011**  
**The Foundation For Medical Care is not liable for any errors or omissions that may have occurred in the compilation of this list**
